

**Apply adhesive anytime,
anywhere with a compact
hand-held applicator.**

QuikDot™ PRO

Quickly and effectively apply permanent or removable adhesives in the field or at a distribution center with the compact, lightweight, and portable QuikDot™ Pro hand-held applicator. Engineered to make applying Glue Dots® Brand Adhesives fast and affordable, the applicator allows the operator to apply the right amount of adhesive every time.

User-friendly while increasing productivity, this manual applicator is an excellent solution for tight workspaces, or for projects where machinery is unavailable. Features of the QuikDot Pro hand-held applicator include:

- Compact and portable, easily used anytime, anywhere
- Rugged high-impact polycarbonate body for everyday use
- Refillable and easy-to-use, minimal training required
- Lightweight for comfortable repetitive use

With a durable polycarbonate body, the QuikDot Pro is built to withstand everyday use, increasing its longevity, and making it the perfect applicator for even the toughest work environments.

Compatible with three standard adhesives, but also available with other adhesive patterns upon request, the QuikDot Pro is the perfect solution for companies seeking a mobile adhesive applicator to be used in a variety of locations.

Ideal for reverse logistics, distribution centers, in-store or end-of-line repairs and so much more, the affordable QuikDot Pro and Glue Dots Brand Adhesives combination is a favored alternative to double-sided tapes, liquid glues, and hot melts. Glue Dots products are also, a preferred solution when other adhesives prove to be messy, ineffective or difficult to use.

QuikDot™ Pro Applications

Food & Beverage

Repack or repair hot melt failures on the line, in the store or at the distribution center

Printing, Post-Press & Mail

Attach promotional items & gift cards, close brochures or use as an alternative to double-sided tape

QuikDot™ PRO

Standard QuikDot™ Pro Adhesive Pattern

The right adhesive solution for your application.

Established in 1997, Glue Dots International (GDI) forever altered the adhesive industry when it launched the unprecedented pressure-sensitive, preformed adhesives product line globally known today as Glue Dots®.

With the most pressure-sensitive adhesive pattern experience in the industry, GDI can help you find the right adhesive and application equipment solution to meet your specific needs.

Our experienced account managers and engineers are available to provide adhesive recommendations based upon your application. Sample adhesives may be supplied for testing.
